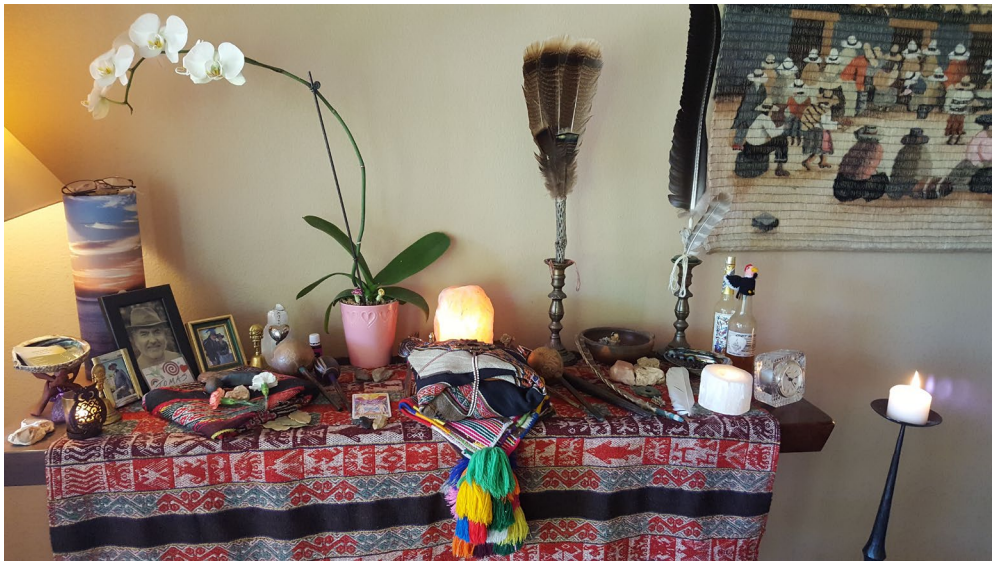
ALTARS OF GRIEF

Healing Practices for Living with Loss



Grief is woven into every aspect of our life. We will all experience grief during our lifetime; be it the loss of a loved one, loss of a relationship, loss of a job or a house, or collective grief. Sorrow in many forms permeates our human experience in this world. In this two days workshop, we will learn ways to tend to our grief, to honor it, and to process it, so that we may live fully, and allow joy to return to our life.
It is never too late to grieve old places of pain, and allow healing to take place.
