

Shaman's Journey

Winter Solstice Community Ceremony

Join us to celebrate Mother Earth's changing seasons. We will create an offering, a prayer bundle of gratitude that will hold our intentions for that which we want to dream into being in the coming months of Summer. (Mixed in person & Zoom)

We will focus our attention on giving gratitude to Mother Earth, Father Sun, the Mountain Spirits, the Divine and other universal organizing principals.

The evening will culminate with a Fire Ceremony that will release the energy of our prayers to Spirit for manifestation.
