## PLEIADES KARPAY INITIATIONS

### QOTOKUNA

The Pleiades, QotoKuna, play an important role in the Andean cosmology. The Q'ero, descendants of the ancient Inka, say we all are children of the stars, primarily the seven main stars of the Pleiades constellation, known as the Seven Sisters. Each of these seven stars conveys a unique frequency, and holds unique blessings. Through the initiations, they collectively illuminate us with powerful light which helps us release heavy energy that does not serve us. These Rites bring clarity to our path and purpose to our life. We remember our true essence, and align with the energies of the ancestors and our true origin.

The Pleiades Initiations were taught to us by Don Mariano Quispe Flores, a Hatun Paqo - High Shaman priest in the Q'ero Nation.
